

## Christmas Exhibition

Contributed by Birgitte Krag Hansen  
Thursday, 11 December 2008

This year my Christmas Exhibition is at a beautiful house build in Colonial style, lying with a park down to the ocean. This house was once home for a well known Danish artist called Gunnar Aagaard Andersen who in periods hosted many of the artists from Paris. I exhibit with other art and craft people and some of the days we show our different techniques.

Munkeruphus

Dyed fleeces

Two Santa´s

Pixies and animals

Felted tree trunks a pixie, trolls and animals

Big troll and little pixies
